### **ILCF - INSTITUTE OF FRENCH LANGUAGE AND CULTURE - LYON**

#### **An intensive summer French program for all levels**

##### **Presentation**

## **Description**

Courses are oriented towards the development of oral and written expression and comprehension skills. Achievement of autonomy in the use of French requires the acquisition of grammar, vocabulary and specific aspects of French culture. A variety of linguistic activities are offered to students and involve the use of specific methods, exercise books and real-life documents: press, adverts, cartoons, written texts, videos... The courses require students to participate on an active basis.

## **Public**

This program is aimed at all international students including adults, technicians and researchers... regardless of their level of French, who wish to:  
acquire and improve their skills in spoken and written French and/or prepare for [DELF](#) and [DALF](#) examinations.

## **Levels**

The ILCF teaches students in groups (of 18 to 24 students) according to their level:

## Cultural Activities

# At ILCF Lyon, learning French continues far beyond the classroom

Our cultural activities department supports students throughout their stay with a tailor-made program of activities adapted to the duration and type of course attended.

Language exchange meetings with French students, activities on campus, cultural visits, trips, workshops and tasting sessions: a wide range of activities is organised every month to encourage the discovery of French culture, social interaction and the practice of French in authentic and friendly situations.

These activities are an integral part of the ILCF experience and allow students to discover Lyon and its region while developing their language skills in a real-life environment.
