Cultural Activities

At ILCF Lyon, learning French continues far beyond the classroom. Our cultural activities department supports students throughout their stay with a tailor-made program of activities adapted to the duration and type of course attended.

Language exchange meetings with French students, activities on campus, cultural visits, trips, workshops and tasting sessions: a wide range of activities is organised every month to encourage the discovery of French culture, social interaction and the practice of French in authentic and friendly situations.

These activities are an integral part of the ILCF experience and allow students to discover Lyon and its region while developing their language skills in a real-life environment.
